---

**TECHNICAL SKILLS:** React, Redux, JavaScript, HTML/CSS, AWS S3, Lambda, RDS, MySQL, PostgreSQL, Node.js, Express.js, Ruby on Rails

## NOTABLE PROJECTS:

*ViewTube*

[Live Site](#) | [Github](#)

### Full-Stack Software Engineer

Nov 2019

- Built a full-stack application that mirrors the CRUD functionality of YouTube using React/Redux, Javascript, Ruby on Rails, and PostgreSQL while practicing good OOP design principles.
- Integrated backend Rails Active Storage with AWS S3 to ensure reliable uploading for users.
- Constructed a streamlined React/Redux flow to implement features such as commenting and liking.

*Danceability Data Visualization*

[Live Site](#) | [Github](#)

### Frontend Software Engineer

Dec 2019

- Created a single-page app that utilizes Spotify's API and RESTful route conventions to display the users listening history in an attractive visualization using d3.js, Express.js, and HTML canvas and tooltips.

## EXPERIENCE:

### Full-Stack Software Engineer

Jan 2020 - Present

*The Media Exchange (Startup)* - New York, NY

[tmx.news](http://tmx.news)

- Third engineer to join the team to help develop a media content sharing platform in order to sell newsworthy content to top clients such as NBC, FOX, and ABC national news rooms and affiliates.
- Communicate with the founder and manage day-to-day dev operations for the team using the latest tools such as Git and NPM.
- Reduce uploading time to the platform by 30% by helping create a custom integration of the React S3 Uploader.

### Executive Assistant Project Manager

Feb 2016 - Aug 2019

*Scholastic* - New York, NY

- Worked with the SVP of the Digital Analytics division to manage their budget of over \$2 million.
- Managed dozens of contracts from over 25 service providers to keep the invoices paid and current.
- Provided support in closing over \$20 million of sales with several Title 1 school districts.

### Senior Editorial Assistant

Aug 2014 - Oct 2015

*The National Academies* - Washington, D.C.

- Managed the internal publications website containing over 60 publications.
- Promoted after 5 months due to a great work ethic and quick learning.

### Double Bass and Electric Bass Faculty

July 2014 - June 2015

*International School of Music* - Bethesda, MD

- Instructed and managed the artistic growth of eight middle and high school double bass students.

## EDUCATION:

*App Academy* - New York, NY

July 2019 - Dec 2019

*1000-hour immersive full-stack web development intensive with <3% acceptance rate*

*The Catholic University of America* - Washington, DC

Sept 2010 - May 2013

*Master of Music*

*The Boston Conservatory* - Boston, MA

Sept 2003 - May 2007

*Bachelor of Music*
